The Latin classes once again held their annual Roman Banquet. Present as guests were teachers and students from Regina, Moeller, and Purcell.

Father-Daughter Dance

The theme of this year's Father-Daughter Dance was "Daddy's Little Snowflake;" it was held on December 4, 1970. All the little snowflakes and their dates enjoyed the music of Wes Neal and his orchestra.

Chairman, Terry Cosco.

They will get A's won't they?

C.Y.O. Week

C.Y.O. Week took place over October 26-31. During this time many activities took place, such as volleyball games, clothes races, scooter board races and pyramid building. Points were then awarded to the winner of each activity. The week ended with the Halloween Howl where the freshmen were announced winners of the C.Y.O. trophy.

Chairman, Debbie Jo Aspery.

The juniors presented their variety show "Sentimental Journey" on December 12 and 13. The plot of the show was centered around two bums passing through River City. The two hobos, portrayed by Cindy Lewis and Sue Hoobler, encountered on their journey such varied sights as dancing butterflies, bathing children in their tubby, baton twirlers, and Jim Fiorito.

The Junior Closed Dance, December 27, 1970.

Students and faculty united to present a unique Christmas assembly consisting of skits and a humorous interpretation of "The Twelve Days of Christmas."

"This is the only way I know how to make a point."

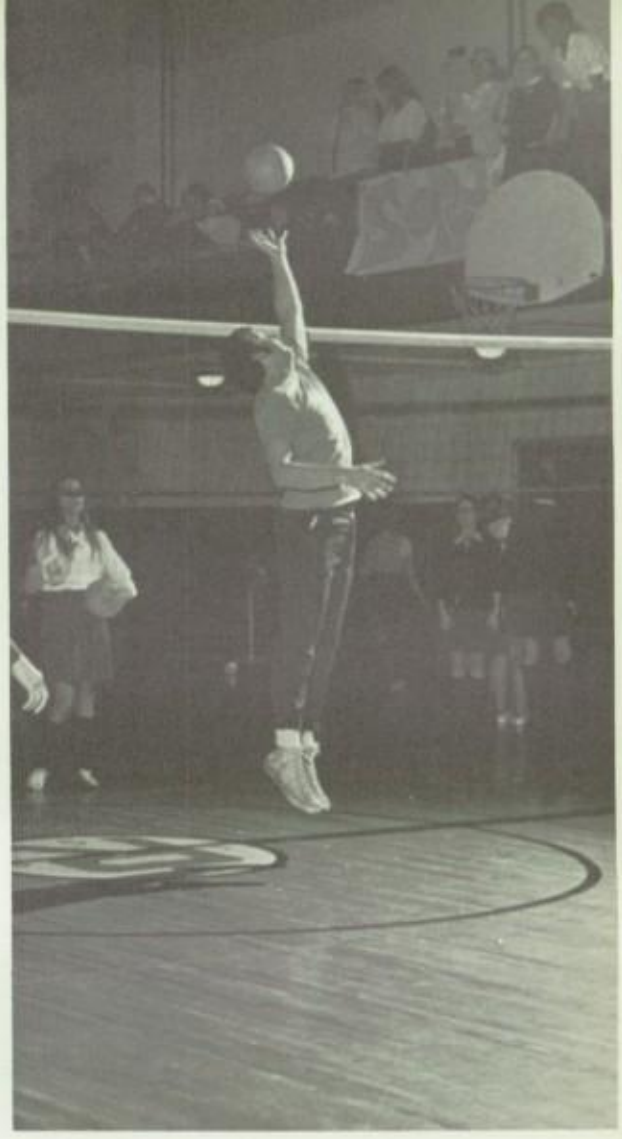
Christmas '70

Black Study Day

The Black Study Day was held on Feburary 18, 1971, with "Recognizing Reality" as its theme. The day was a limited attempt to focus attention on the necessity of a study of the black man from his beginning to the present day. The day began with a talk by Dr. Vera Edwards. Then smaller seminars were conducted by prominent experts in black history from the Cincinnati community. A dynamic address by Rev. Otis Moss, Jr., ended the program.

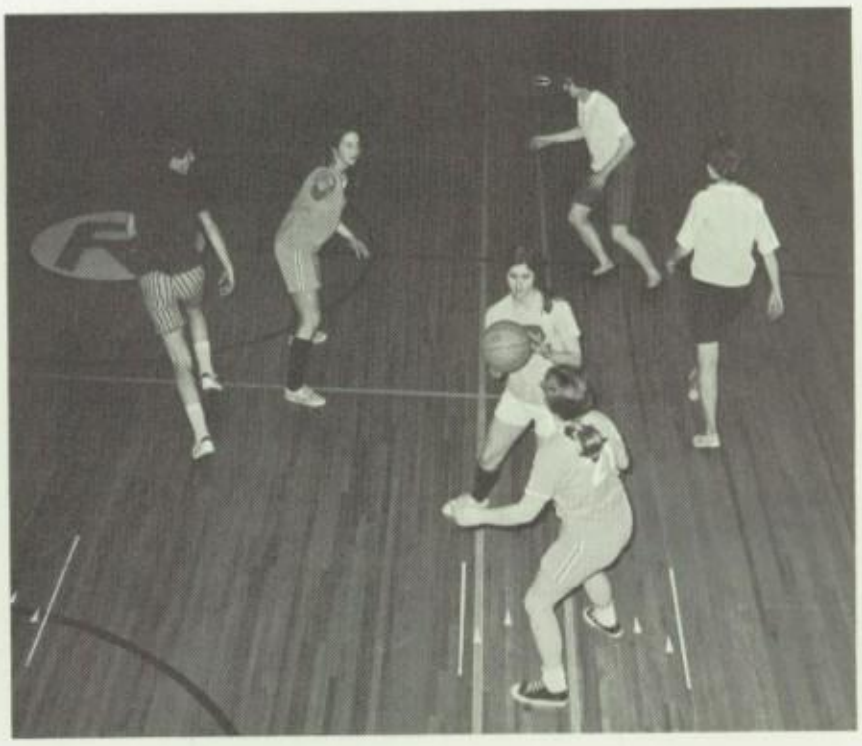
The Rev. Otis Moss, Jr., addresses Regina students and guests.

Larry Kinley leads the audience in singing several Negro songs.



"And they said Jesus reached the heights."

Mr. Huster and fan club.



The courageous students repeatedly faced the faculty volleyball teams and repeatedly bowed to superior prowess. The students accepted defeat *very* gracefully, however. Undaunted, they went on to lose three more games — this time basketball. The faculty had the most touchdowns in the basketball game, but that's because they had the most kickoffs. A good time was had by all.

Student-Faculty Games

Christmas Concert

Spring Concert

The Regina Glee Club joined with Purcell's Glee Club to present a Christmas concert on December 15, where Regina nuts were made into a fruitcake.

The Spring concert was held on May 9th. Lisa Winkler and Pat Walton sang solos and there was also a soft-shoe act.

Elections

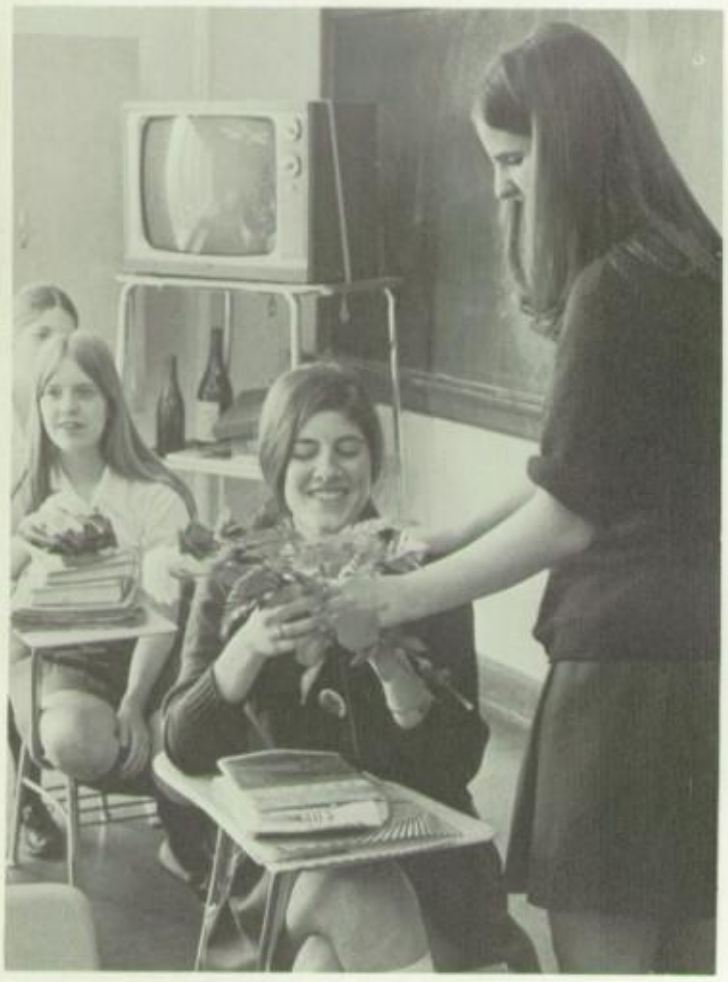
Karen Woeste gives the office of S.C. President to Lynn Brady.



Junior officers-elect, Connie Sack and Pat McAlister.

Sr. Brendan and Sue Haddad presented the awards.

The Awards Assembly was held on May 14, 1971. The new members of National Honor Society were inducted. After this, many awards were given out and the new officers of Student Council were introduced. Then Pat McMahon announced the Seniors' gift to the school. To close the assembly, the United We Won trophy was awarded to the Sophomores.

Raffle Drive

"You're kidding! You forgot to take a picture of those hard working chairmen of the raffle drive, Tina Honebrink and Karen Pohlman?"

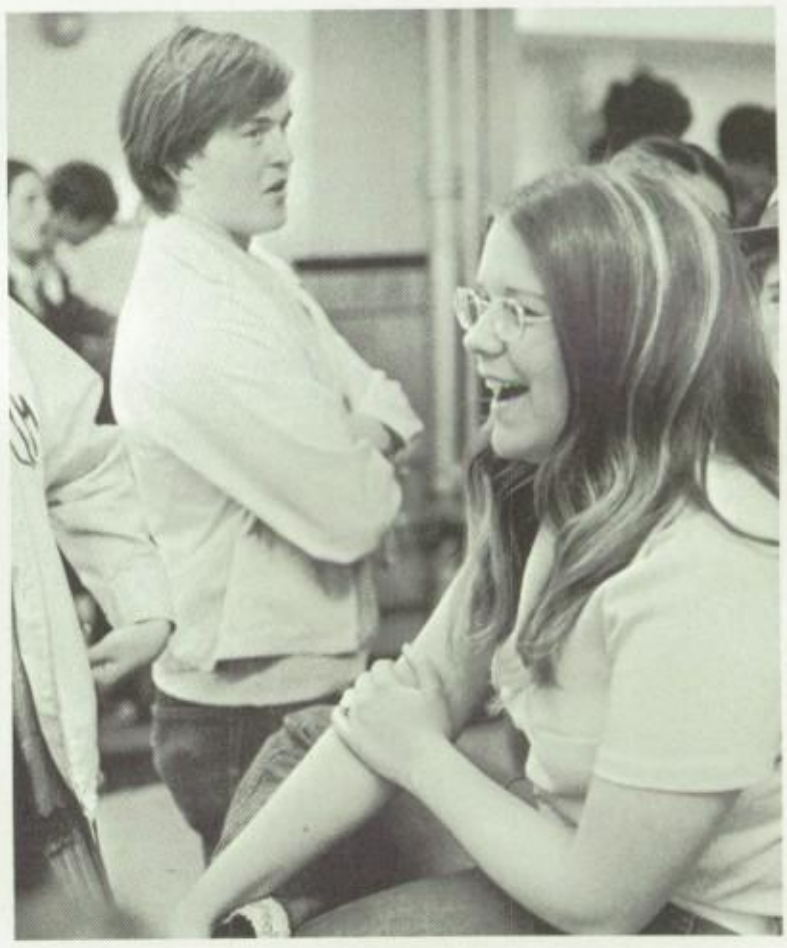
Edressa Thomas, who sold the most raffle tickets.

Dr. Stickley awarded gifts to the teacher of the homeroom who had the highest returns, Miss Klopmeier of H.R. 303.

Dr. Stickley and Mr. Brosmer announce the winner of the Raffle Drive.

Spring Festival

The raffle drive was opened on April 2. Over the following month, over $12,000 worth of tickets was sold. The festival was held on May 1 and 2. Of the many booths the dunking booth was the most popular because it offered the students a chance to get even with their "favorite" teachers. On Sunday, bad weather forced the festival inside, but this did dampen the feeling of festivity of those who attended.

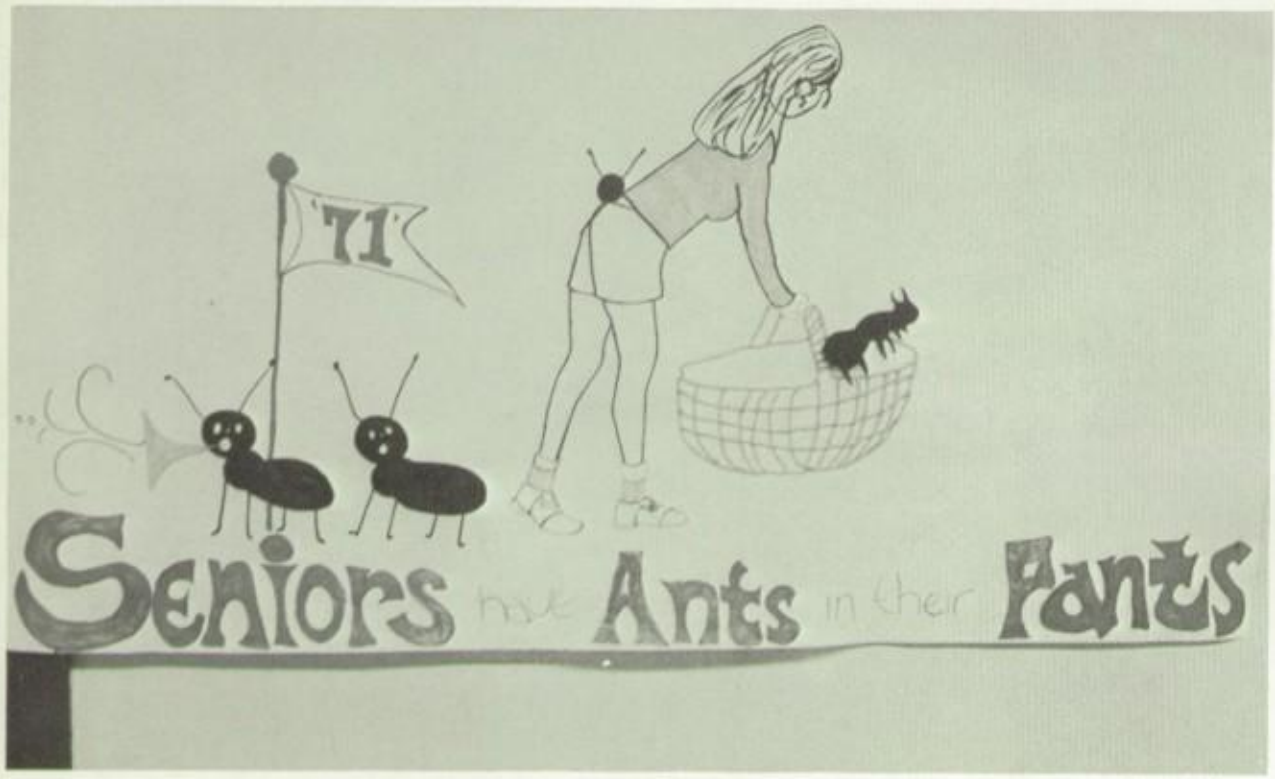


Sandy Davis, student chairman of the festival.

Who said history is all wet?

Sunshine Week

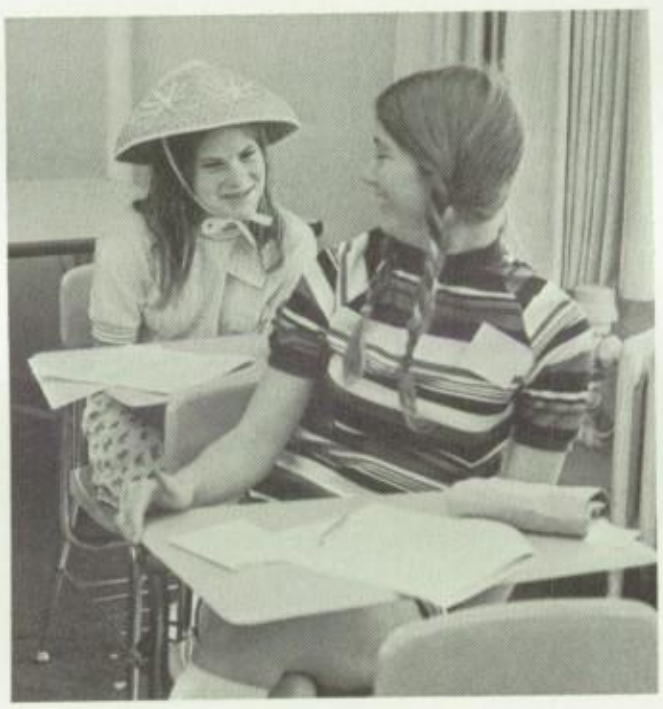
Jean Griffin, sunshine student and Mr. Sanquist, sunshine teacher.



To celebrate the arrival of Spring, the students of Regina took part in the festivities of Sunshine Week. There were many events which included bicycle races, hall decorations, a jump rope contest, and a Spring bonnet contest. The Seniors proved to be the sunniest class of all, winning all of the events.

Religion Study Day

This day was designed to show the students and teachers how to have fun and express their emotions. This was achieved by charades, movies, and a puzzle. The day was concluded with the celebration of the Mass.



This year, for the first time, Regina had baseball intramurals. With cooperation between the faculty and the students, the games were a success. There were many teams, but in the end Huster's Hustlers proved themselves too tough for the competition.

For two brief weekends in March, Regina's auditorium became the streets of New York as the Senior Class presented *Guys and Dolls* for the enjoyment of all who attended. Large musical productions played to packed houses have become a Regina tradition; but this year's play broke all records, playing to sell-out houses four out of the five performances.

Senior Day

Senior Day, May 21, started with a parade from Fenwick Park to Regina. After the parade, the seniors went inside to the gym for their Senior Farewell. The day ended with a picnic at French Park.

The Senior Farewell included such imitations as Jackie Ebel as Mrs. Chang and Linda Lynskey as Mr. Imerson. The farewell was brought to an end by various speeches from Mr. McCarty, Pat McMahon, and Kathy Lyons, who presented the senior Student Council representatives with long-stemmed red carnations.

Baccalaureate Mass ... Fr. Maher ... Mr. McCarty, Mr. Puthoff, Mr. Sandquist ... CELEBRATE! ... Offering Gifts: ring, crown, flowers ... Homemade bread, dipped in wine ... Mr. Trojanski and "The Impossible Dream" ... Mr. Neal and the Roger Bacon boys ... "A New World Coming."

Student Council

The 1970-71 Student Council tried to fulfill its function within Regina and without. One of its aims was to increase Regina's social involvement through projects such as the Free Clinic art show and concert, the Appalachian Christmas wreath sale, and participation in the Knights of Columbus track meet. A Student Council workshop also was held. Apathy, student representation, and constitution revision were topics of discussion. As a result of these meetings, a new election procedure was instigated primarily to improve the efficiency of council by decreasing its size. It is hoped that this reduction will compel more student involvement. A major issue of the workshop was black representation. A decision was reached which insures the expression of black views on council. The workshop also revamped Student Council elections. The candidates are now elected by the entire student body and will run for specific offices.

SENIORS SAY FAREWELL

AND BEST WISHES TO REGINA

Seniors' Last Will And Testament

Physiology bells IV and V will their "Happy Pig's" Spare Parts to the juniors' physiology classes.

To whom it may concern: We give our little band with the big sound which helped US drum up spirit.

To our little sisters: These mellowed halls of Regina High for 3 more years. Hang In There!

We will our Foster Child in Korea to the juniors — to help bring out your motherly qualities.

To the incoming frosh: All those raffle ticket stubs we accumulated throughout our four years.

For Sunshine Week next year — "Where there's a will, there's a way."

To the juniors: We will a GREAT play (like ours) with four or five sell-out nights. (Who could do better?)

To those eligible: The Bedlam and Boredom Course.

To the Sophomores: We sprinkle our Fantastic Supersational Spirit throughout your class (As if you needed it!).
